Pom-pom:

Hold yarn of all three colors as a single strand and wrap around two fingers held together or a fork. Wrap until there is a large enough bundle for your desired level of poof! Take 6-8 inch piece of scrap yarn and tie it tightly around the middle of the bundle. Cut through the loops, fluff the ball, and trim the edges into an even ball without cutting the tails of your scrap yarn.

Finishing:

- Draw i-cord through YO eyelets in band.
- Attach pom-pom to tip of tube using its tails.
- Sew ear flaps on either side of the band above the pouch.
- Weave in all ends.
- Be a big damn hero who's not afraid of anything.
