The Muppets

Key of G

doot doots

Verse 1

G **C7**
Movin' right along in search of good times and good news,
A7
With good friends you can't lose;
C **D7**
this could become a habit.

G **C7**
Opportunity knocks once; let's reach out and grab it, (Foozie yeah!)
A7
To-gether we'll nab it;
C **D7** **B7**
we'll hitchhike, bus or yellow cab it. Cab it?

Chorus 1

Em **D** **Em**
Movin' right a-long, foot-loose and fancy-free.
Em **Daug** **D** **G**
Gettin' there is half the fun; come share it with me.
Em **D** **Em**
Movin' right a-long, we'll learn to share the load.
Em **Daug** **D** **G**
We don't need a map to keep this show on the road.

Verse 2

G **C7**
Movin' right along; we found a life on the highway,

A7 **C**
And your way is my way,
D7
so trust my navi-gation.

G **C7**
California; here we come; that pie-in-the-sky-land,
A7
Palm trees and warm sand,
C **D7**
though sadly we just left Rhode Island.
B7
We did what? Just for-get it...

Chorus 2

Em **D** **Em**
Movin' right a-long; hey L. A. where've you gone?
Em **Daug** **D** **G**
Send someone to fetch us; we're in Saskat-che-wan.
Em **D** **Em**
Movin' right a-long; you take it; you know best.
Em **Daug** **D** **G** **B7**
Hey, I've never seen the sun come up in the West.

Verse 3

G **C7**
Movin' right along, we're truly birds of a feather.
A7
We're in this together and
C **D7**
we know where we're goin'.

G **C7**
Movie stars with flashy cars and life with the top down.
A7
We're storming the big town;
C **D7**
yeah, storm is right; Should it be snowin'?

B7

No, I don't think so.

Chorus 2

Movin' right a-long; do I see signs of men?

Yeah, "Welcome", on the same post that says; "come back a-gain!"

Movin' right a-long, foot-loose and fancy-free.

You're ready for the big time; is it ready for me?

Coda

Movin' right along, movin' right a-long.

Movin' right along, movin' right a-long.
